COVID-19 Hotline (800) 722-5725

The COVID-19 hotline is a service operated by the healthcare professionals at the KY Poison Control Center who can provide advice and answer questions. Please be patient as we are handling a high volume of calls and want to give everyone the time they deserve. For general information, please review the website prior to calling the hotline. Guidance is being added as it becomes available.

If you have developed a fever or respiratory symptoms and believe you have had exposure to a known case or traveled to an area with community spread, isolate yourself from others in your home and contact your healthcare provider or local health department to describe your symptoms and any recent travel before you go to the healthcare facility.

Mental Health and Relieving Anxiety

Uncertainty leads to anxiety. Follow these tips to maintain your mental health & reduce anxiety. Please seek professional help if needed. For more information, visit the CDC guidance for managing anxiety and stress.

Community Guidance

Social distancing is key to keeping Kentuckians safe. It is essential that Kentuckian's participate in the following social distancing activities:

- It is advised that all community gatherings be cancelled
- All 172 school districts, the Kentucky School for the Blind and Kentucky School for the Deaf will close
- Avoid all non-essential travel. Do not fly. Do not participate in cruise travel.
- Recommend the temporary closure of senior centers to help halt the spread of the virus for those most vulnerable
- All state prisons are closed to visitors
- Recommend businesses to utilize telecommuting and allow employees to work from home if possible
- State boards and commissions have canceled any scheduled in-person meetings and instead will use video teleconference technology
- Hospitals are asked to cease elective procedures

This guidance will continue to change as circumstances warrant.
