COVID-19 Hotline (800) 722-5725

The COVID-19 hotline is a service operated by the healthcare professionals at the KY Poison Control Center who can provide advice and answer questions. Please be patient as we are handling a high volume of calls and want to give everyone the time they deserve. For general information, please review the website prior to calling the hotline. Guidance is being added as it becomes available.

Drive-thru Testing New

Team Kentucky has partnered with Kroger to provide Drive-thru testing.
