First Doses Administered: **247,666**
Second Doses Administered: **220,112**
Third Doses Administered: **44,618**

Johnson and Johnson (Janssen) Vaccine
First Doses Administered: **20,450**
Second Doses Administered: **357**

Important Data Notes:

- Coverage estimates and administration graphs are updated weekly.
- Administration reporting is up to 72 hours behind.
- “Fully vaccinated” means two doses of Pfizer or Moderna or one dose of Janssen.
- Coverage estimates do not include vaccinations provided in Wyoming by VA or military facilities or vaccinations of people without a Wyoming address, but do include tribal facility vaccinations.
- Administration information is based on provider location and does not include federal doses provided separately for tribal, VA and military facilities.
- Population projections from the Wyoming Department of Administration and Information were used for coverage estimates.
